Last week's meeting.

Steve Scott addressed the Town of Highlands Ambulance Corps; where it's been, where is it now and what's in store for its future. The Corps is an all-volunteer organization, which is presently in need of new members. Steve holds the rank of captain and works specific shifts, usually volunteering for 12 hrs. Per week. There were 67 calls this past month alone involving various incidents, such as vehicle accidents, sick calls, etc. The service is on the 911 system and coordinates with paramedics for emergency calls. Any volunteers?

And – Last of the pun fun – (and time for me to run!!!!)

Mahatma Gandhi, as you know, walked barefoot most of the time, which produced an impressive set of calluses on his feet. He also ate very little which made him rather frail and, with his odd diet, he suffered from bad breath. This made him

(This is so bad it's good!)

"A super calloused fragile mystic hexed by halitosis."
