Last Weeks Meeting

Kathy Wenner gave a detailed breakdown
on the Honduras Project. She is planning
an upcoming trip. She described items
needed (and used there) such as air
mattresses and a straw which dispels disease
when sipped through it. Contaminated water
is made much safer with the straw. They cost
\$4.50 each, with a minimum order of 500.
She seeks help in this project.

purposes in storms. A L.E.D. lantern is a
much safer item to use in emergencies. They
burn bright and stand no chance of starting a
fire!
