Today's Program – Business Meeting

<http://rotary-wphf.org>

Last week's meeting: Buddy Blackman introduced "Home Brewed Beer" and the methods, ingredients, and results attained in this unique way of producing a good beer to your satisfaction. Buddy gave a history of beer making, which goes back for thousands of years and was known to the ancient Egyptians, as well as to some other cultures. This was a convincing program, and the question now is: How many of us will now try to brew our own beer? Great (hic) program.

Boat Ride – Gus Fishburne said the boat ride is schedule for Aug. 24th. 50 people minimum.

Phil Brillante's Safety Tip! –

Beware of driving distractions, such as cell phones, GPF, and lots of people on the roads.
